Classic Stories

A classic story is a story that everyone knows and loves and has loved it for a really long time. They are usually well known, high quality stories, whose characters make the story really come alive. Examples of classics may be Peter Rabbit, Robin Hood or Alice in Wonderland. There are classics for all age groups. Sometimes people disagree on which books should be called a classic, but that doesn't mean you can't have your own favourites that you remember for a very long time to come!

In the spaces below, mark down the classic stories that you read this year. Don't forget to put a check in the box when you have completed reading a full book.
