

**Courage** is being brave when I am scared. Sometimes courage means doing something until it is finished. Other times it means NOT doing something because I know it is wrong or unsafe. Courage lives in my heart and is a gift from God.

I can show Courage by:

- ◆ Telling the truth when I do something wrong.
- ◆ Asking God for comfort when I am scared.
- ◆ Doing what is right even if others tease me and call me names.
- ◆ Asking for help when I am not sure of what to do.

Dear Lord,

Thank you for giving me the courage to be brave when I'm scared. Let me always stand up for You, myself, and others. Help me to do what's right even when I am scared or teased. Help me to remember to ask for Your or my parents help if I am unsure of what to do. Amen.

DID I SCARE YA?

Courage

## Our Virtue Lessons Reinforcement Prayer Card

Our Virtue Lessons is a neat program to help children learn about virtues and good moral behaviour from a Christian perspective.

We have always valued fun in learning and fun in independent reinforcement. These reminder cards are the fun reinforcement needed for the OVL lesson packets designed for young and elementary learners approximately K-5.

### Supplies:

Printable Reinforcement Prayer Card(s) sheet

Scissors

Glue

Laminant—optional but adds durability and a nice “professional” look and feel to the cards.

\*\*Each child will need a set of their own.

### Instructions:

Cut out card on thin solid black line, then fold in half to make a card with a front and backside. Glue sides together and laminate for durability.
