

## You Show Good Examples of LOVE When You:

Remember that God is love and without Him there would be no such thing as charity.

Show God you love Him through caring for others.

Treat others the way you want to be treated.

Say and use kind and gentle words with others, especially your family.

Do little things that bring joy and happiness to others.

Share your things and your time and energy with others.

Show affection or little signs of love, when appropriate, with others (give a hug or kiss, hold-a-hand.)

Pray for others.

## You Show Poor Examples of LOVE When You:

Feel sorry for yourself and think that you have nothing to offer anyone else; have a "Pity-Party."

Say or do mean or unkind things to others or your pets.

Avoid other people and do little or nothing for them at all.

Don't give any thought to the needs and thoughts of others.

Don't show any affection at all to anyone including God, yourself or others.

Do not forgive yourself or others - carry a grudge or constantly remind others of their faults against you.

Don't give a care to praying for others.

*Dear Lord,*

*Thank you for giving me the ability to love others and to be loved by others. Help me to always treat others the way I want to be treated - with respect and kindness. Jesus was the greatest example of Your love for me. Let me always strive to imitate Him and make You proud of me by sharing my love with those closest to me - even if it is difficult to do sometimes. Amen*
